Cut along the lines; test one sheet first. Markers are reusable. Questions and rules are also free; here they are laid out for cutting.

Your 45-minute host script

Before: one board per guest, cut-out caller tiles and 16 markers per player. Print extra marker sheets as needed.

0–5 min | Welcome: “Answer in either language or pass. Today we share the table, without betting.”

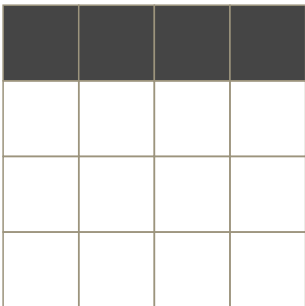

5–15 min | Give each pair a conversation card. Swap cards after five minutes. Nobody needs to share anything private.

15–35 min | Show the chosen pattern. Shuffle caller tiles, announce one and show it. Allow time to mark. Check each board against used tiles. For a new round, return every caller tile and clear the markers.

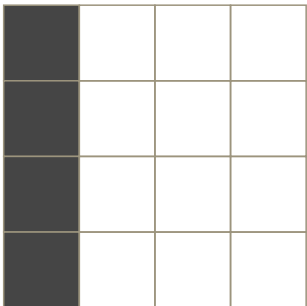

35–45 min | Closing conversation: each pair may share a connection. Save tiles and markers for reuse. Guests who prefer to watch are welcome too.
